**\*Political subdivisions may have opted out of PERA. As there is no requirement for a political subdivision or an organized borough to report the adoption of an ordinance or resolution rejecting PERA, the Agency only becomes aware of the status of a political subdivision when the issue is raised. Therefore, this list may be incomplete and may include inaccuracies.**

Sec. 23.40.255. Applicability to political subdivisions, including school districts.

- (a) AS 23.40.070 – 23.40.260 is applicable to organized boroughs and political subdivisions of the state, home rule or otherwise, unless the legislative body of the political subdivision, by ordinance or resolution, rejects having the provisions of AS 23.40.070 – 23.40.260 apply.
- (b) Notwithstanding (a) of this section, a municipal school district or regional educational attendance area may not reject application of AS 23.40.070 – 23.40.260 to employment relations with public school employees.
