Alaska Specialized Constructors
4485 W. Rangeview Drive
Wasilla, AK 99623

RE: CHASE Blue Approval

Dear Mr. Chad Doran

I am pleased to approve Alaska Specialized Constructors in Wasilla, Alaska to the Alaska Occupational Safety and Health (AKOSH) Construction Health and Safety Excellence Program (CHASE).

Alaska Specialized Constructors has been working with our AKOSH Consultation and Training section to improve occupational safety and health conditions. AKOSH consultants conducted a comprehensive safety and health evaluation on April 10, 2019 and verified the site meets the CHASE Blue eligibility criteria. On August 1, 2019 the site was accepted into the Alaska CHASE program for five years. From the beginning, you have exhibited commitment and hard work toward this goal and the recommendations our consultants made were received freely and implemented to the effect of enhancing your program. Thank you for the positive attitude related to safety and health exhibited by you and your employees.

Your CHASE Blue approval shows the strength of your commitment to having a safe and healthy workplace. Your ongoing work to continually improve your safety and health program demonstrates this commitment and sets a role model for others. We encourage you to share what you have learned with other employers to assist them in growing their safety culture as well.

Participation in CHASE does not, of course, diminish any of the rights and responsibilities provided to you and your employees by the Occupational Safety and Health Act of 1970. Although your company will be placed on a lower priority general scheduled inspection list for enforcement from the date of this letter, employee complaints, fatalities or catastrophes, and significant chemical leaks or spills at your site will still result in normal AKOSH enforcement activities.

If you have questions or need assistance, contact Donald Farwell of the Anchorage AKOSH office at (907) 269-4941 or by email at donald.farwell@alaska.gov. By March 1st of each year, please send him a copy of the 300 and 300A log summary which includes the injury and illness numbers and rates, the total hours worked, and the average annual employment. Also include documentation as set forth in the CHASE Partnership Program Manual section I.7 to:

Donald Farwell
CHASE Coordinator
Alaska Department of Labor & Workforce Development
Division of Labor Standards & Safety
Occupational Safety and Health
1251 Muldoon Road Suite 109
Anchorage, AK 99504

Mr. Farwell will be working with your staff on specifics for the CHASE Blue certificate delivery.

Congratulations for your hard work and dedication to the principles embodied in CHASE. I wish you and your employees continued success in your safety and health efforts.

Sincerely,

Dr. Tamika L. Ledbetter
Commissioner
